

Title: Play as Rabbit.

Actor: Player.

Scenario: The game is run as a turn based game, in a coordinate system, where the snake will chase the rabbit. The player can move the rabbit: up & right, the snake follows accordingly. When the snake and rabbit are one field away from each others, a message will be printed warning the player. When they are on the same field, the snake will have caught the rabbit and the game is over.
